REFLECTION:

On the occasion of ONAM, our college organized a vibrant celebration that began with a special morning assembly. Marking the beginning of the festivities. A paper reading session followed, thought of the day where students shared the significance of Onam, detailing the story behind the festival and its cultural relevance. The atmosphere was filled with devotion and enthusiasm as everyone participated actively in the celebrations. The festival showcases Kerala's rich traditions, blending spirituality with a deep connection to the land. The elaborate **Pookalam designs**, **Onam Sadya** preparations, and traditional performances reflect the creativity, dedication, and teamwork involved. One of the most engaging parts of the program was watching a video that showcased how Onam is celebrated in both Mumbai and Kerala. It was fascinating to see the same festival being celebrated in different places, each with its unique flavor. The emphasis on **eco-friendly practices** also cultivates environmental consciousness, making Onam not just a cultural celebration, but a learning experience that nurtures both personal and collective responsibility.

The celebration concluded with the principal sharing their valuable insights, emphasizing the importance of embracing cultural heritage while fostering unity and positivity within the college community. The principal also highlighted the spirit of Onam, encouraging students to continue spreading joy and wisdom in their personal and academic lives.

Learning Outcomes:

- Participants will learn to appreciate the abundance of crops and express gratitude for the harvest.
- Students will engage with and showcase Kerala's rich cultural heritage through traditional art forms, music, and dance.
- Participants will develop creativity and artistic expression through the design of intricate floral decorations and cultural displays.

Feedback of the Students:

Kirti - It's was great opportunity to get knowledge about onam festival, region behind it and coming together to celebrating Onam was beautiful.

Atiya- It was well organized it help me to enhance my knowledge about the cultural significance of celebrating onam and sustainable practices to adapt and as a teacher the ways to promote and preserve culture.

Manisha - I learned a lot about the Onam festival and how to organize a program for it. The special assembly was both informative and enjoyable, making it a highly engaging experience.
