### REPORT ON FAREWELL

A farewell is a special event organized to bid farewell to someone who is leaving or moving away. It is a way to celebrate and honor their presence, contributions, and the memories shared with them. Farewell events are typically filled with a mixture of emotions, including happiness, nostalgia, and sometimes sadness.

#### **Objectives to organize farewell event in academics:**

- Celebrating achievements: The farewell event should serve as a platform to celebrate the academic achievements of the departing students, acknowledging their hard work, dedication, and accomplishments throughout their academic journey.
- Recognizing contributions :The event should provide an opportunity to recognize and appreciate the contributions of the departing students to the academic institution, whether through leadership roles, involvement in extracurricular activities, or other forms of participation that have positively impacted the institution and fellow students.
- Creating a sense of closure: Farewell events in academics mark the end of a significant chapter in students' lives. The objective is to provide closure and help students transition to the next phase of their educational or professional journey. It should be a moment for reflection , reminiscence , and closure on their time spent in the academic institution.

The students of F.Y.B. Ed organized a farewell event for the S.Y.B. Ed students with the help of teacher incharge Prof. Dr. Jaswanti Adhangale and Prof. Joya Chaudhari. The event was planned with backdrop design, dance performances, shayari and year book memory flashback. The event started sharp at 11.30 a.m. welcoming each and every student with roses and lighting lamp, praying almighty with welcome speech and group dance as well as solo dance performance and some fun games were arranged. Later the students from S.Y.B. Ed shared their academic experience they gained from course as well as some of their personal experiences. Each and every students were awarded with badges based on their talents and creativity. At the end of the event the class was addressed by Principal and the Candle ceremony was conducted where the light of knowledge was shared by Principal Mam and teachers to students. The event ended with vote of thanks and national anthem.

The farewell event organized by the F.Y.B. Ed students for the S.Y.B. Ed students, the post-learning outcomes are:

- Gratitude and appreciation for the educational institution: Through the farewell event, the departing students and attendees had the chance to express their gratitude and appreciation for the academic institution and the education they received. This sense of gratitude can instill a deeper connection with the institution and a positive attitude towards education in general.
- Cultural and artistic expression: The inclusion of dance performances, shayari, and the yearbook memory flashback allowed students to showcase their cultural and artistic talents. The event provided a platform for creativity, self-expression, and the appreciation of various art forms.
- Increased sense of appreciation and recognition: The farewell event, with its various elements such as dance performances, shayari, and yearbook memory flashback, aimed to celebrate and honor the departing S.Y.B.Ed students. This could have fostered a greater sense of appreciation and recognition among the students for their academic achievement and contributions to the institution.
