Report on Onam Celebration

DATE: 8TH September, 2022

VENUE: MULTIPURPOSE HALL

“Giving, sharing, loving and celebrating together, that’s the essence of Onam

Onam is an annual Indian harvest festival celebrated predominately in Kerala. It brings together a multitude of colours & flavours and its celebration reach their apex on the auspicious day of Thiruvonam. Onam is a rice harvesting festival which also symbolises homecoming of demon King Mahabali. It is one of the most famous and biggest festivals of Kerala and is celebrated with equal zest all over the country as well.

OBJECTIVES OF ONAM CELEBRATION

- To make students aware about India’s vast culture
- develop the feeling of brotherhood
- develop compassion, acceptance towards traditions and customs of other states

To achieve the above objectives, the students of F.Y. B.Ed. conducted a Special Assembly to mark Onam Celebration on 8th September in the Multipurpose Hall of the B.Ed. Department. The Programme began with the welcoming of all and recitation of morning prayer by the hosts Ms. Sumaiya Khan and Ms. Saba Ansari. It was followed by a Prayer Song by the Choir group of the college. The atmosphere was then illuminated by the lightening of the lamp by Principal ma’am Dr. Judy Grace Andrews followed by all the professors.

Just like prayer, dance is a very powerful expression of faith that can move a nation towards God so the Kaikottikali dance performance by the students of F.Y B.Ed. made us all connected with the graceful traditional dance of Kerala. It was followed by a beautiful and mesmerizing song Maveli Naadu vaanidum kaalam which was sang by Ms. Akhila Reghu and Ms. Jyothika Naidu. There was also a Paper Reading on Onam by Ms. Taneem Shaikh which created awareness related to the significance of Onam and its celebration in the southern state. Lastly, principal ma’am addressed the class and shared her thoughts on the onam festivities and the importance of a teacher to imbibe the different cultures of India in our students. The program ended by singing National Anthem. It was a beautiful and a well organized celebration with having B.Ed. Department decked up with Pookkalam and decorations related to the festival.

OUTCOMES ACHIEVED

- Students become aware of culture of southern India.
- Students developed feeling of brotherhood and bonding with other states
- Students became compassionate towards customs and traditions of southern states
