LEARNING OUTCOMES:

The in-service teachers learn to upscale their pedagogical practices

The in-service teachers learn different strategies and techniques for classroom engagement

REFLECTION:

The Royal College of Education and Research for Women conducted a workshop with the collaboration of Royal's H.A Girls' High School focusing on innovative teaching methodologies to enhance classroom engagement and effectiveness. During the workshop, various techniques such as incorporating interesting activities, utilizing teaching aids, and integrating drama into teaching were introduced to the participants. Engaging in interactive sessions, the attendees actively participated in the activities, making the learning experience both enjoyable and enriching. Overall, the workshop served as a refreshing course for teachers, providing them with valuable insights into modern teaching approaches.

FEEDBACK OF THE STUDENTS

Sara: Organizing this kinds of workshop helps me to gain management experience

Mariya: The workshop helped me to learn interesting facts about teaching aids in classrooms

Vedika: The workshop helped me to explore creative style and techniques in teaching
