**ROYAL COLLEGE OF EDUCATION AND RESEARCH FOR WOMEN
REPORT ON TREE PLANTATION AT INS HAMPLA, MALAD WEST**

NAME OF THE PROGRAM: TREE PLANTATION AND BIRD'S NEST INSTALATION

VENUE : INS HAMPLA, MALAD WEST

DATE : 20th March, 2024

TIME: 8:00 a.m. to 10:00 a.m.

NO OF PARTICIPATION: 50

RESOURCES PERSON: MR.SHUBHAJIT MUKHERJEE AND TEAM

COLLABORATIVE/NON- COLLABORATIVE: Collaboration with Mission Go Green
Mumbai, Indian Navy Service.

COORDINATOR: Assistant.Professor Mandrita Mitra
Assistant.Professor Shaista Shaikh

OBJECTIVE: To Plant 40,000 Trees For Sparrow Rehabilitation At INS Hamla Campus.
And Bird's nest Installation in own college campus

AWARENESS: Promoting awareness about tree plantation involves educating communities about the importance of trees for environmental health, biodiversity, and human well-being. Tree plantation is crucial for sparrow rehabilitation because trees provide essential nesting sites, food sources, and habitat for sparrows. By planting native trees and creating bird-friendly environments, we can help restore sparrow populations. Promoting community involvement, education, and conservation efforts can further support this cause.

SKILL DEVELOPMENT:Enhancing your knowledge about trees, ecosystems, and environmental conservation to educate your students effectively

REFLECTION:

Tree plantation is a crucial activity with numerous benefits for the environment and society. It helps combat climate change by absorbing carbon dioxide, provides habitats for wildlife, prevents soil erosion, and enhances biodiversity. Additionally, trees contribute to cleaner air and water, offer shade and cooling effects, and beautify landscapes. Reflecting on tree plantation, it's essential to recognize its role in sustainable development and the responsibility we have in preserving and expanding green spaces for future generations.

It was great opportunities for us to participate and contributed to a greener and healthier ecosystem it's was lifelong learning experience for all of us

LEARNING OUTCOMES ACHIEVED:

The students learn the importance of tree plantation for rival of sparrow community.

The students learn to take active participation in tree plantation drive.

FEEDBACK FROM STUDENTS:

Riya Dewivedi:Tree plantation initiatives, demonstrating a commitment to environmental conservation.

Shifa Shaikh:The trees they planted, emphasizing the importance of nurturing and maintaining them for long-term growth.

Kirti Yadav: The impact of tree plantation activity at INS Hamla, emphasizing how our efforts contribute to a greener and healthier ecosystem.

Mariya Baig:Tree plantation initiatives and explore other ways to engage in environmental conservation efforts, fostering a lifelong commitment to sustainability.

Overall, the feedback should recognize the student's contributions, encourage further involvement, and inspire a deeper understanding of the importance of tree plantation in addressing environmental concerns
