REPORT ON CCA ACTIVITY POT MAKING AND PLANTING SAPLINGS

NAME OF PROGRAM: Wealth from Waste

DATE: 21ST DECEMBER, 2023

VENUE: RESOURCE ROOM (ART ROOM)

TIME: 02:30 Pm to 03:30 Pm

NO OF PARTICIPANTS: 15

COLLABORATIVE/NON-COLLABORATIVE: It was collaborated with Mission Green Mumbai

COORDINATOR: Assistant Professor: - Ms Shaista Shaikh

OBJECTIVES:

To nurture creativity among students

To promote sustainability and beautifying environment

To encourage SUPW activity

REFLECTION:

This activity was initiated to convert the waste that is harmful into the piece of art that is appealing to eyes and that can be a source of income as well. Students were told to bring the waste cans of plastic from their home and were oriented about the activity in the college. Through this activity students were able to explore their creativity and utilize their skills into producing the beautiful pots. These pots were later on utilized for planting saplings and were kept on display on the sideways of college corridors and were made available for any visitor to buy.

LEARNING OUTCOMES ACHIEVED:

The students learn to express their creative self

The students learn how to beautify the indoor and outdoor environment

The student understand the importance of SUPW activity

The student develop attitude and skills towards SDGs.

FEEDBACK OF STUDENTS:

Riya: Just loved the activity. Initially found it hard to work with scalpel but the end product got appreciation

Shifa: Amazing experience! Loved the CCA!

Fatema: it's amazing to get the opportunity to express creative self.
