Librarian

ACADEMIC ACTIVITIES

WORLD ENVIRONMENT DAY

The students of B. Ed enthusiastically celebrated Environment Day by actively engaging in tree planting initiatives within their home gardens and community areas. To raise awareness about the pressing need to protect the environment, the students dedicatedly created posters with the rising global temperatures.

VARSHA VALLI: KAHANI

BUNDO KI

The students of 'Royal College of Education and Research for Women' organized "**Varshavali: Kahani Bundo ki**" celebration on 07th August, 2023.

There was an informative paper reading on rain which included Ecological Curriculum, Nutritious food, Green Education for Sustainability of Earth, Efficient Use of Resources Encompasses Several Strategies. We got insight information about how important rain is for our life.

MILLET MELA

A ENHANCEMENT PROGRAMME TOWARDS SUSTAINABLE GOALS

The students of B.Ed have prepared two dishes from each of the house .Indian millet initiative is trying to bring efficiency in the entire millet .we promote millets for good several reasons. All the staff visited in the sports room to see the presentation and also the tasting the dishes one by one and all have given they give the review of all the food.

SCIENCE & MATH CLUB ACTIVITY

The activity conducted likely had several positive effects. The treasure hunt encouraged teamwork and critical thinking. The pictorial game enhanced visual-spatial skills. The quick math game improved the student's mental math abilities. The debate likely fostered public speaking and argumentation skills. The science and Math club are students' organization which focuses on promoting interest and engagement in the fields of science and mathematics. It typically involves activities such as hands-on experiments, discussions, workshops, guest lectures, and competitions related to these subjects.

ECONOMICS & COMMERCE CLUB ACTIVITY

Economics and Commerce club activities deepened the students' appreciation for the intersection of theory and practicality. The diverse perspectives shared during discussions expanded understanding of economic dynamics and business strategies. Networking with fellow enthusiasts enriched the learning experience and sparked new insights into the field.

ENGLISH AND HISTORY CLUB ACTIVITY

Involvement in the History and English club activities was enriching, as it allowed exploring narratives from different perspectives. Analyzing historical events through literary works deepened the understanding of the cultural and social nuances of various time periods. Hosting or participating in English and History -related competitions, debates, and events to showcase and apply knowledge. Encouraged members to think creatively and innovating in critical thinking by using literary and historical principles.

BEST OF ME ACTIVITY

A QUALITATIVE INITIATIVE FOR PSYCHOMOTO SKILL DEVELOPMENT

The "Best of Me" talent showcasing activity provided a platform for self-discovery and growth and was a transformative journey that allowed students to spotlight the skills and passions. Through this activities Celebrations

achievements, we learned to face challenges, and the received valuable feedback has shaped our growth. On the whole it became a reflection of personal evolution and a source inspiration for future endeavors.

CO -CURRICULAR ACTIVITIES

INTERNATIONAL YOGA DAY

International Day of Yoga, is an annual event celebrated on June 21st. The day aims to raise awareness about the benefits of practicing yoga and to promote global harmony, peace, and well-being.

Yoga is an ancient Indian practice that combines physical postures (asanas), breathing exercises (pranayama), and meditation techniques to promote physical, mental, and spiritual well-being. It has gained worldwide popularity for its numerous health benefits, including stress reduction, improved flexibility, strength, and balance, as well as enhanced mental clarity and relaxation. International Yoga Day promoted the idea of holistic well-being, emphasizing the interconnectedness of the mind, body, and spirit.

INDEPENDENCE DAY

The program shed light upon different Nationalistic events starting with marching drill done by NCC cadet followed with flag hoisting done by our founder Sir. Prof. A. E. Lakdawala. To remember the sacrifices of our national hero's, various performances were dedicated to them.

The students of B.Ed. and E.C.C.Ed performed Patriotic song, Dance and pantomime narrating the story of soldiers and sacrifices done by them for our country. And this programmed ended by evoking Nationalistic feeling among all the students by singing National Anthem

TEACHER'S DAY CELEBRATION

A lively game brought teachers and students together for laughter-filled moments, strengthening bonds. Engaging fun activities and captivating dance performances continued to infuse enjoyment into the celebration. Teachers making outstanding contributions were felicitated, and the respected Principal, Dr. Judy Grace Andrews, shared insights on the significance of Teachers' Day. The Teachers' Day celebration at Royal College of Education and Research for Women was a source of inspiration and joy. It highlighted the pivotal role of teachers in shaping the potential of students.

EID- UL ADHA CELEBRATION

On the celebration of Eid ul-Adha, in the rituals of sacrifice and prayer, I find myself reflecting on the essence of selflessness and devotion. The act of sacrificing an animal becomes a metaphor for letting go of personal attachments and ego, fostering a sense of humility and submission. This occasion prompts to ponder upon own willingness to make sacrifices for the well-being of others and to strengthen the connection with God.

WORKSHOPS

'NAVRASA'

A QUALITY INITIATIVE TO DEVELOP KINEASTHETIC SKILLS

Attending the workshop on 'Navrasa' gave the students' knowledge about what Navrasa actually means. It taught us nine emotions with the facial expression and how these emotions can enhance one's skills. These are the emotions that human beings exhibit according to their life situations. The workshop also taught the students that emotions are proof of our living. If we were static without any emotions we would be just like robots or machines. It is crucial to take control of our emotions too so that it doesn't intervene and affect one's relationships.

SKILL DEVELOPMENT WORKSHOP

DIGITAL LITERACY- AN ICT QUALITATIVE INTIATIVE

Attending the Skill Development Workshop was a very effective and impactful experience that has enhanced the qualities of the students. This workshop has focused on leadership skills, digital literacy, communication, problem solving and teamwork. Even before joining the workshop, previous learning skills of the students were assessed. The workshop also provided practical strategies and tools for promoting the skills. Our professor was showing the teaching aids and their utility which made students think out of the box when they will eventually prepare their lessons. Skill development workshop has allowed the students to think abstractly. These insights have allowed the professional and personal growth of the students to grow in every possible way.

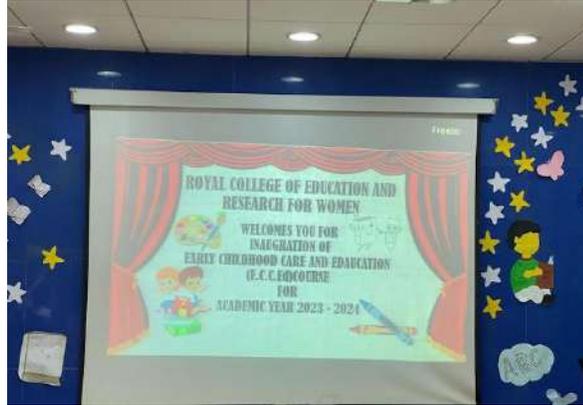

VISIT TO DILKHUSH SPECIAL SCHOOL

The infrastructure of the was good which provides opportunities for students to learn more effectively. The school caters to different skill enhancing activities which helps the students to learn more things and develop skills. The visit was overall very informative and we got an exposure of teaching and learning of the especially abled students. The school's environment is specially designed to cater individual requirements.

ECCED INAUGURATION

The success of the ECCED inauguration serves as inspiration for future initiatives in early childhood education. It highlights the potential for creating positive educational experiences that extend beyond traditional academic settings. It was evident that the college community values the role of early education in shaping the future of our young learners.

WORKSHOP ON LESSON PLAN

On 6th of July 2023, A workshop was organized by “Royal College of Education and Research for Women” for E.C.C.Ed students it continued till 12th of July 2023. The workshop was about lesson plan and its spoke's person was Miss, Nirmala Naik.

The workshop started with “Introduction to Lesson plan”. Miss Nirmala taught how to create a Lesson plan which is suitable for teachers to plan for her lessons for her students. She taught how to make Lesson plan interesting by using stories and teaching aids. On the last day of workshop. Students performed a demo lesson and She gave guidance on how one can improve lesson and how to avoid mistakes and improve the lessons.

WORKSHOP ON "PHONICS"

A Workshop on "Phonics" was organised by our institution Royal College of Education and Research for Women. For E.C.C.Ed. Department. The resource person for this workshop was Miss Alifiya Habibwala. The workshop was held on 18th August 2023 Friday.

The workshop was very interactive and informative. The spoke person taught different phonics sounds and providing Hands on practice with 42 sounds and blends of the sound. An activity was also taken by the spokesperson, In which a story with phonics sound was created by students.
