OBJECTIVES:

1. Empowering rural farming community: Raising fund for rural farmers for sustainable irrigation practices.
2. Building Relationships: Foster a sense of community by connecting with underprivileged groups and addressing their needs.
3. Corporate Social Responsibility (CSR): Align the fund raising activity with CSR goals to support marginalized communities.
4. Charitable Activities: Provide assistance as part of broader social service programs.

SKILLS DEVELOPMENT:

Collaborative skills: The Green Club of the college collaborated with Mission Green Mumbai to organize the Bori Bandh fundraising drive. It enhanced the collaborative skills among the students.

Organisational skills: The students learned how to plan and organize a fundraising activity

Social skills: The social skills, like interpersonal skills, empathy, cooperation and teamwork, are enhanced.

LEARNING OUTCOMES: At the end of the event, the students will:

1. Engage themselves in socially useful activity
2. Work in collaboration with NGOs and other social bodies
3. Develop empathy for the underprivileged social group of people
4. Value the 3Rs: reduce, reuse and recycle of sustainable practices

REFLECTION:

The fundraising drive was a heart-warming experience that not only collected money to buy boris for bori bandh techniques of rain water storage for farming in rural Maharashtra, but also developed a sense of social responsibility and empathy for the marginalised section of society. The fundraising drive also highlighted the importance of sustainability and waste reduction.

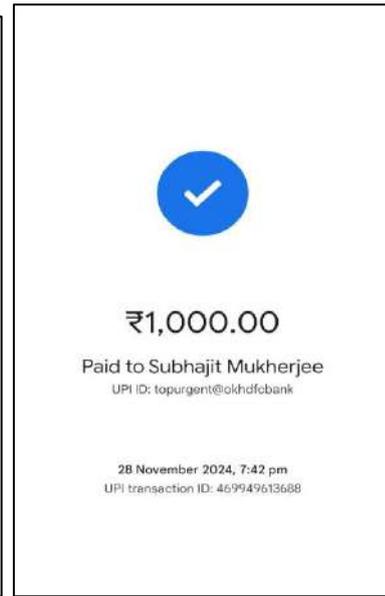

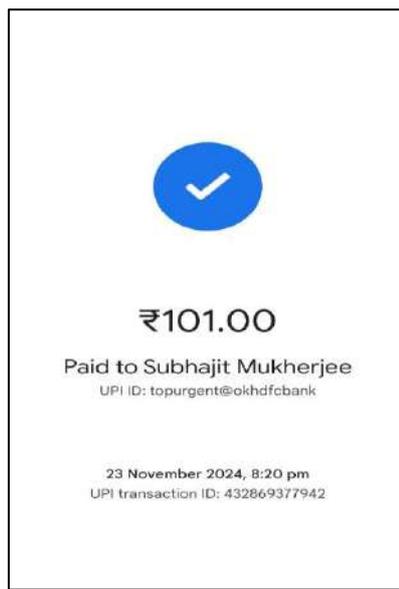

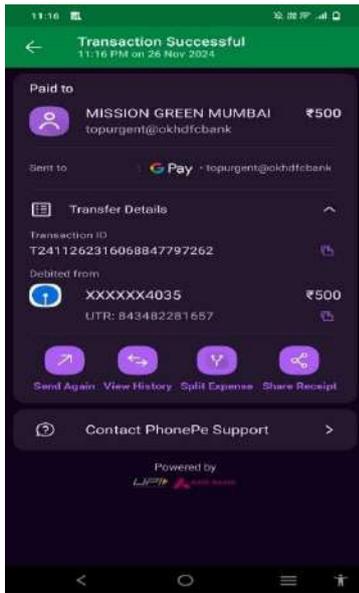

FEEDBACK FROM THE STUDENTS:

Ms. Neomi: A very good activity to sensitize students regarding the farmers and their challenges in Maharashtra

Ms. Roshni: This activity made us aware of the technique of water conservation in rural Maharashtra for farming purposes.

Ms. Riya: This activity helped us to connect with the rural Maharashtra farming community. We came to know about an easy and cost-effective technique of water conservation for farming.

EVIDENCE OF CONTRIBUTION:

CONTRIBUTION OF THE ALUMNI

CONTRIBUTION OF S.Y B.Ed AND F.Y B.Ed (ACADEMIC YEAR 2024-25)
