**Time Management:** Scheduling and Managing time efficiently to ensure the event runs smoothly.

**Technical Skills:** Handling audio-visual equipment, lighting, sound systems, and backstage management.

## **REFLECTION:**

Celebrating Megh Mahatsav is a unique experience that intertwines tradition with youthful energy. This festival, dedicated to the monsoon season, becomes more than just a cultural event; it transforms into a collective expression of joy, creativity, and connection among students. Megh Mahatsav was opportunity to explore and appreciate cultural heritage with paper reading and storytelling on rainy season and connecting with the philosophy of Rabindranath Tagore, fostering a sense of community by poems and dance performances.

The festival encouraged students to embrace the cycles of nature and understand the importance of sustainability. It was time to celebrate the abundance of the earth, but also to consider how we can protect and nurture our environment for future generations. It shared appreciation of nature's wonders and cultural richness.

**LEARNING OUTCOMES:** At the end of the event, students will be able to:

- Take small steps towards conservation of water
- Appreciate the beauty of rain
- Apply the SDG goals in conservation of water and preservation of natural resources of water

## **FEEDBACK OF THE STUDENTS:**

**Ms. Atiyya:** We came to know what Megh Mahotsav is, why and how it is celebrated.

**Ms. Shifa:** We enjoyed very much while organising the event and even by participating and performing for the same.
