POLISH & SHINE- GROOMING WORKSHOP

On 8th February 2025, the Placement Cell of Royal College of Education and Research for Women organized Polish & Shine—a grooming session for our students. The event featured Ms. Melita Coutinho, Vice Principal of N.L. Dalmia High School, as the resource person. The session focused on personal and professional development, covering self-confidence, communication skills, body language, resume writing, interview preparation, and workplace etiquette. It also highlighted the importance of personal hygiene, professional appearance, and emotional intelligence. Students actively participated in the interactive activities, making it a valuable and engaging learning experience.

VISIT TO MANI BHAVAN AND DISCOVERY OF INDIA ART GALLERY

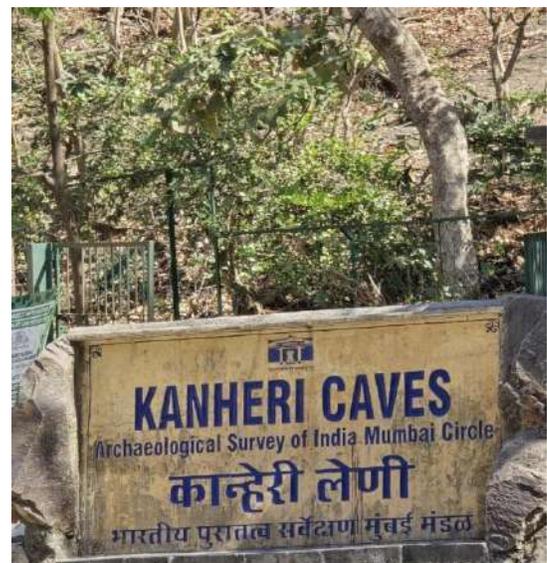

On 10th February 2025, the Literary Club of the Royal College of Education and Research for Women organized an educational visit to Mani Bhavan and the Discovery of India Art Gallery for students. Guided by Ms. Shaista Shaikh, students explored Mahatma Gandhi's residence, gaining insights into his educational philosophy and the role of education in social reform. They were inspired by his values of non-violence, truth, and equality. At the Discovery of India Art Gallery, students engaged with various artworks and interacted with an artist, gaining valuable perspectives on artistic expression. The visit provided a meaningful blend of history, culture, and education, making it memorable learning experiences.

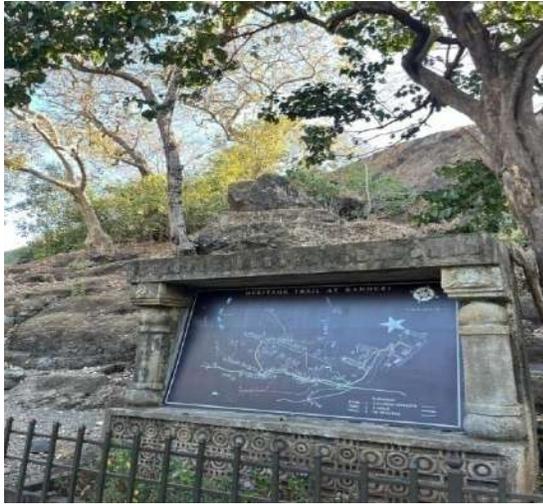

VISIT TO SANJAY GANDHI NATIONAL PARK

The visit to Sanjay Gandhi National Park provided students with a hands-on learning experience in biodiversity, conservation, and sustainability. Observing wildlife and exploring Kanheri Caves deepened their understanding of nature's balance and historical connections. Nature trails and field research enhanced their analytical and teamwork skills, fostering curiosity and inquiry. Overall, the trip highlighted the importance of experiential learning, making education more engaging and impactful.

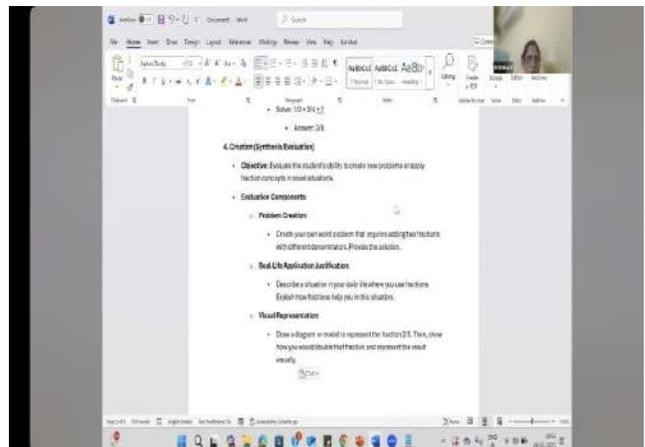

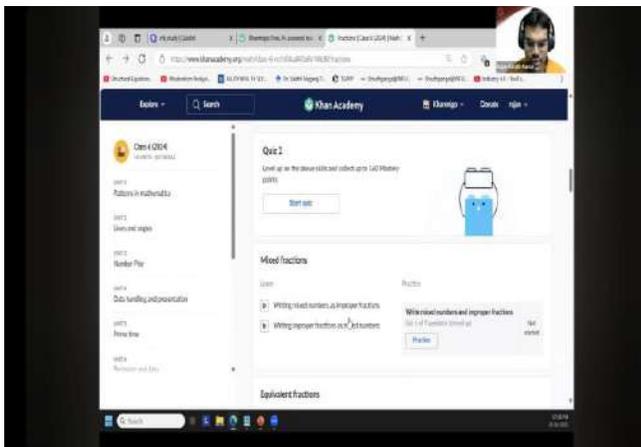

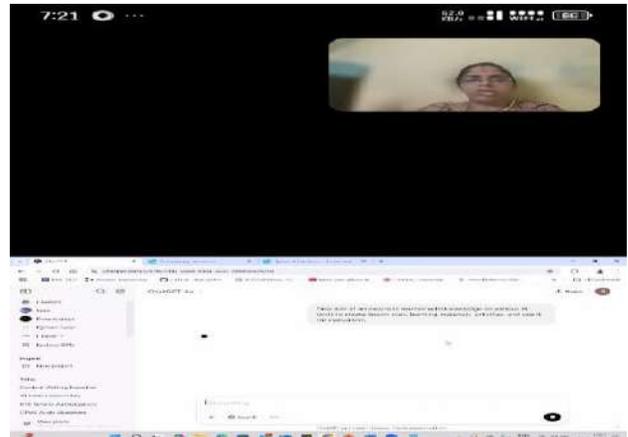

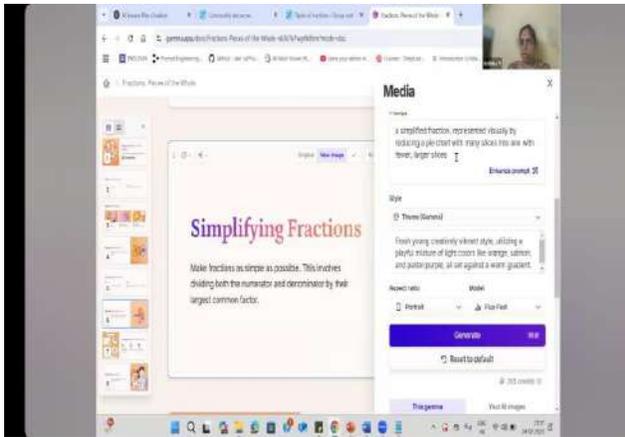

EDUCATIONAL TRIP TO THE GREAT ESCAPE

The educational trip to Great Escape Water Park was an enriching experience that offered valuable insights into outdoor education, student engagement, and trip management. Guided by Professors Ms. Jasvanti Adhangale, Ms. Shahista Shaikh, and Ms. Mandrita Mitra, along with students, participants learned about recreational learning, child psychology, safety measures, and experiential education. Seniors shared practical advice on managing student groups and making learning enjoyable. The trip combined fun activities like water rides and rain dance with meaningful learning, inspiring students to incorporate outdoor experiences into future teaching practices.

WORKSHOP ON MASTERING AI TOOLS

Royal College of Education and Research for Women, in collaboration with CEDAAR, Chennai, organized a two-day National Level Online Workshop on "Mastering AI Tools for Effective Classroom Presentation & Teaching." The workshop aimed to enhance participants' understanding of modern educational tools and teaching methodologies. Through interactive sessions, demonstrations, and hands-on activities, participants explored the practical applications of AI in education, gaining valuable skills in communication, classroom management, and technology integration. The workshop emphasized inclusive teaching, student engagement, and collaborative learning, inspiring participants to adopt innovative and effective strategies. Overall, it significantly contributed to their professional growth, equipping them to excel as educators in the digital age.

ELEVATE & SHOWCASE- WORKSHOP ON MASTERING THE ART OF E-PORTFOLIOS

The Placement and Alumnae Cell of Royal College of Education and Research for Women organized a workshop titled 'Elevate and Showcase' – Mastering the Art of E-Portfolio, led by alumna Ms. Amreenisa Khan. The workshop offered a transformative learning experience, blending theory with practical application. Participants were introduced to essential digital tools and guided on effectively presenting their teaching journeys through curated E-portfolios. Interactive sessions, real-life examples, and hands-on activities fostered creativity, collaboration, and critical thinking. Ms. Amreenisa's guidance was highly appreciated, and the workshop left a lasting impact by equipping educators with valuable skills to enhance their professional digital presence.

RESUME WRITING WORKSHOP

The Placement and Alumnae Cell of Royal College of Education and Research for Women organized a Resume Writing Workshop on 7th March 2025, featuring alumna Ms. Vedika Aer as the resource person. The session provided valuable insights into crafting professional, impactful resumes. Ms. Vedika highlighted key components such as soft skills, career objectives, and academic projects, while addressing common resume mistakes and offering practical tips. She also emphasized the importance of a well-written cover letter and shared her own resume as a model. The workshop concluded with an interactive Q&A, leaving participants better equipped with essential tools and knowledge for successful job applications.

WORKSHOP ON CET EXAM

The Royal College of Education and Research for Women organized a workshop, conducted by S.Y. B.Ed students, to help participants understand the CET structure in detail. The workshop boosted students' confidence by clarifying the exam content, question types, and effective approaches for each section. It provided a clear breakdown of key areas like teaching aptitude, general knowledge, and subject-specific knowledge, helping students identify where to focus their preparation. Additionally, students learned useful strategies for answering MCQs, such as eliminating obviously incorrect options and making educated guesses, which will aid in better time management and reduced exam stress.

WORKSHOP ON JEWELLERY MAKING

The Royal College of Education and Research for Women organized a jewellery-making workshop on the occasion of International Women's Day to promote self-employment and entrepreneurship among B.Ed. students. The workshop provided a hands-on, creative experience where students learned various jewellery-making techniques using different materials and tools. Despite initial challenges, students gained confidence and improved their skills with practice. The workshop also fostered patience, focus, and perseverance. Overall, it was an enriching and enjoyable experience that sparked interest in jewellery-making as both a hobby and a potential career path.

WOMEN'S DAY CELEBRATION

On 8th March, the Royal College of Education and Research for Women celebrated Women's Day with enthusiasm, focusing on empowerment and self-worth. The event featured an insightful paper reading, heartfelt poems by Henrietta and the principal, and a powerful women's ramp walk symbolizing strength and confidence. It concluded with an inspiring address by the principal, leaving everyone feeling empowered and appreciative of womanhood.

WORLD WATER DAY

The Royal College of Education and Research for Women celebrated World Water Day on March 22, 2025, with a meaningful and eye-opening event. The program highlighted the vital role of water in everyday life. Two students presented an insightful paper on water conservation, offering practical tips for saving water. The session concluded with a collective pledge to use water responsibly and protect it for future generations, reinforcing the importance of safeguarding this essential resource.
