### REFLECTION:

The 14<sup>th</sup> Annual Day was indeed a very interesting and fun event in which we participated.

It was graced by our respected founder sir and other respected managing trustees of our institution. The theme of the event this time being **MOSAIC-CELEBRATING THE INCLUSION** was very much interesting. Students really enjoyed working for the event on and off the stage by doing several activities like preparing the invitations, preparing the backdrop for the event, also their respective performances and the other events in the celebrations.

A significant highlight of the event was the felicitation ceremony, where meritorious students were honoured for their outstanding achievements. The certificate distribution ceremony further acknowledged the efforts and accomplishments of students across various fields.

The event concluded with a formal vote of thanks, expressing sincere gratitude to the management, faculty members, organizers, and students for their invaluable contributions. Overall, the Annual Day celebration was a grand success, leaving behind a lasting impression and reinforcing the importance of holistic development in education. The event was successful by the effort of both FY and SY students respectively.
