Report on DLLE 2nd Term Training Program

Name of the Program: DLLE 2nd Term Training Program

Time: 10:00 am

Date: 14th March, 2026

Day: Saturday

Venue: Multipurpose Hall

Objectives:

- To understand the importance of DLLE activities in academic assessment.
- To present and review the work completed under the one-year DLLE plan.
- To guide students in preparing proper reports for internal evaluation.
- To motivate students to actively participate in extension and community-based activities.

Reflection:

The DLLE 2nd Term Training Program was conducted in an organized and informative manner. The session began with the presentation of DLLE activities carried out throughout the year. The DLLE manager presented on behalf of all the students and shared photos and videos that highlighted the collective work done and also provided a comprehensive overview of the efforts and participation of students in various community-oriented projects.

The resource person, Dr. Manisha Gawde Ma'am, attentively observed the presentation and appreciated the work done by the students. She then addressed the entire class and emphasized the importance of DLLE activities in securing the allotted 10 marks. She guided students to prepare a proper and well-structured report to achieve those marks. Her session was insightful and helped students understand both the academic and practical significance of DLLE.

Overall, the program was highly informative and helped students gain clarity about their responsibilities and expectations regarding DLLE work.

Students' Reflection:

Kashish Khan (F.Y.B.Ed.):

The DLLE 2nd Term Training Program was a valuable experience for me. Presenting our work through photos and videos helped me reflect on our year-long efforts. The guidance given by Dr. Manisha Gawde ma'am made me understand the importance of proper documentation and report writing. This session motivated me to improve my work and perform better.

Aaliya Shaikh (F.Y.B.Ed.):

The training program was very helpful and informative. It gave us a clear understanding of how DLLE activities contribute to our academic performance. The interaction with Dr. Manisha Gawde ma'am was inspiring, and her suggestions on report writing will help us score better marks. It was a meaningful learning experience.

Learning Outcomes:

- Students understood the importance of DLLE activities in academic evaluation.
- Gained knowledge about effective presentation and documentation of work.
- Learned the correct format and structure of report writing.
- Developed awareness about community-oriented learning and participation.
- Improved confidence in presenting their work.
