Reflection:

The Diwali and Dussehra celebration organized at Royal College of Education and Research for Women on 14th and 15th October, 2025, was a joyful and memorable event filled with excitement, creativity, and learning. There was a combined special assembly of Diwali and Dussehra organized on 14th October, 2025 which started with an insightful Paper reading on the importance of the festival focusing on the eco-friendly ways of celebrating them. It was followed by a fun-filled dance and garba performances of the F.Y.B.Ed. students. After the assembly, celebration continued in the Yoga room where everyone played the Garba. The day ended with a special lunch in the canteen of the college campus, symbolizing the sense of unity and community by sharing the meals together.

The celebration continued on the next day that is 15th October, 2025 which started with the enthusiastic participation of everyone in the activity of Shramdaan where everyone displayed their dedication and the spirit of hardwork in cleaning the allotted areas of the college campus. The activity was organized to instill the dignity of labor among all. The latter half of the day was dedicated to various competitions conducted for Diwali celebrations where everyone participated enthusiastically in Toran making, Thali decoration, Diya decoration, Rangoli, and Lantern making. Each competition showcased the artistic talents of Student Teachers and brought a festive vibe to the campus.

Learning Outcomes:

By the end of the Diwali and Dussehra celebrations, students were able to:

- Demonstrate cultural understanding by explaining the significance, traditions, and moral lessons associated with Diwali and Dussehra.
- Reflect moral and spiritual values such as truth, righteousness, and the triumph of good over evil through discussions, performances, and reflections.
- Exhibit unity and teamwork by actively participating in group activities, celebrations, and competitions that promote joy and togetherness.
- Practice personal virtues including honesty, courage, humility, and compassion inspired by the life of Lord Rama and the essence of Diwali.
- Showcase creativity and artistic skills through hands-on participation in art-based activities like rangoli making, diya, thali, and toran decoration.

Conclusion:

The Special Assembly, cultural performances, and Garba dance added energy and togetherness to the celebration, making it a delightful experience for all. The Shramdaan activity was another meaningful part of the day, as it encouraged teamwork, cleanliness, and a sense of responsibility among students. It reminded us that festivals are not just about celebration, but also about contributing positively to our surroundings and community. The entire event beautifully reflected unity, creativity, and devotion, while also strengthening our understanding of Indian culture and values. It was a day filled with laughter, learning, and shared happiness — one that truly celebrated the spirit of Diwali and Dussehra.

Feedback:

Aratreka (F.Y.B.Ed.)- I really liked the Paper reading. We got to learn about the right way we should be celebrating our festivals without harming the nature

Shravani (S.Y.B.Ed.)- We thoroughly enjoyed the Garba session where we all danced together. It was a refreshing break from the routine

Kavita (F.Y.B.Ed.)- The Shramdan Activity was very interesting and meaningful. It instilled in us a sense of hardwork and teamwork.
